

# SUBLIMATED HATBAND ART TEMPLATE

## ARTWORK GUIDE

Template is the laser-cut shape of finished hatband, in both small and large sizes (Template is 100% to scale). Please provide your required artwork to this shape and on this template.

All artwork supplied must be a minimum of 150DPI (300 DPI Preferred) and all fonts converted to shapes/paths.

All images/colours must be CMYK. Nominate PMS Spot colours to enable best match.

All artwork is to be supplied as a Print Ready PDF file.

-  Laser-Cut Shape/Size of hatband.
-  Bleedline - If your design includes images that extend past the edge, you must continue it to the Bleed Line.
