OILSKIN

The oilskin fabric is made of 100% tightly woven cotton that is impregnated with a solution of special oils and waxes to ensure maximum rain, snow and wind protection. Another common term used for this fabric is waxed cotton.

This makes the oilskin a highly durable and long-lasting product. Unlike synthetic and nylon products, the oilskin has a natural feel and because it is a natural product, it provides excellent breathability.

Product Care Instructions

Garments made from wax impregnated oilskin cloth, are almost carefree, and will last for many years to come. To clean your oilskin hat simply wipe down with tepid water. Allow to drip dry in a cool, well ventilated area.

Oilskin Bucket

Specifications:

MATERIAL:	Oilskin fabric
SIZES:	S/M, L/XL
DECORATION TYPES:	Embroidery, Transfer, Screenprint,
DECORATION AREAS:	Embroidery areas Centre Front: 50mm h x 170mm w Back: 50mm h x 170mm w Print/Transfer areas Centre Front: 40mm h x 100mm w Back: 40mm h x 100mm w
