Nautilus 3 in 1 Jacket (Women's)

Perceptive and reflective. This 3-in-1 system jacket is as changeable as the weather. With a functional design that is as perceptive as you are, you stand prepared as the hills change to red, gold and orange. Three jackets in one allow you to customize as you see fit. Choose to wear the ultra-warm zip-out fleece liner jacket on its own, or simply don the rain shell in light conditions. The full-length storm flap provides extra coverage, and the roll-away hood brings added versatility. Ever the protector; the reflective trim provides increased visibility in low light.
